MEMORANDUM FOR: Associate Deputy Director for Administration

SUBJECT : Special Relationships Between the Office  
of Security and Other United States  
Government Agencies

1. This memorandum is for information only.
2. In accordance with your verbal request of 3 November 1975, the following descriptive listing of Office of Security relationships with other United States Government agencies is submitted. This completes your request and supplements the individual reports submitted on the Federal Bureau of Investigation, the Department of Defense, the Department of State, and the Secret Service.
  - a. The Special Security Center provides guidance to other federal agencies on compartmented security matters. It maintains the Special Clearance (SPECLE) system as a service of common concern for the Intelligence Community. Contact is had with other federal agencies when they register and confirm compartmented access approvals.
  - b. The Clearance Division maintains contact with other federal agencies to confirm the clearance status of their personnel and Agency personnel visiting each other's installations or engaging in classified discussions. Attachment A is a list of those agencies with whom the Clearance Division maintains contact.
  - c. The Safety Branch of the Physical Security Division maintains contact with the Department of Labor, Office of Federal Agency Safety Programs, relative to all aspects of the Agency's safety and health program and provides the annual report required by law relative to this program.
  - d. The Safety Branch of the Physical Security Division maintains contact with the Department of Labor, Federal Employees' Office of Workers' Compensation Programs, relative to the compilation of data regarding injury/illness claims of CIA employees which are processed under the various compensation programs.

Administrative - Internal Use Only

e. The Headquarters Security Branch and the Domestic Security Branch, Physical Security Division, maintain contact with the General Services Administration, Federal Protective Service, on all matters pertinent to the assignment, use, and placement of Federal Protective Officers. Routine contact is also maintained with the investigative element of the Federal Protective Service concerning thefts in Agency buildings.

f. The Safety Branch of the Physical Security Division maintains contact with the Department of Commerce, Executive Director, Federal Fire Council, in order to obtain guidance on the latest developments in fire prevention and fire protection. In compliance with Executive Order 11654, an annual report is provided to the Federal Fire Council on fire losses suffered by the Agency.

g. The Headquarters Security Branch of the Physical Security Division maintains contact with the Bureau of Public Roads, Fairbanks Highway Research Facility, concerning matters of mutual interest due to the proximity of its installation to the Headquarters compound. Special arrangements are in effect whereby Bureau of Public Roads employees are authorized to use the Headquarters Building North Cafeteria.

h. The Security Records Division releases personnel security information to accredited representatives of other federal agencies on persons of interest to them. Information so released comes from the Office of Security and DDO files. Attachment B is a listing of those federal agencies which submit requests to the Security Records Division for CIA information.
